

Newgen's AI-powered Provider Contracting Solution for Health Payers

Simplify your end-to-end process—from single case agreements to contracts and amendments to value-based contracts—ensuring a robust network that drives optimal care outcomes.

AI Innovation at Your Fingertips, How Can You Benefit?

Smart Features, Smarter Business Benefits

Core Features	Business Benefits
One-click Template Generation	Expedite the contract submission process by using built-in templates, minimizing administrative workload and errors significantly
Value-based Contracting	Deliver better care and improved health outcomes by creating contracts that prioritize quality and efficiency
Effortless Template & Clause Management	Simplify contract creation and reduce redundancy, maximizing operational efficiency
Smooth Non-standard Workflows	Ensure better collaboration across departments, ensuring all voices are heard while minimizing risks in contract approval
Easy Amendment Process	Amend contracts with ease using user-friendly redlining, allowing prompt adjustments that help you stay compliant
Bulk Contract Creation	Support rapid market expansion by creating multiple contracts simultaneously, drastically saving time and resources
Simplified Redlining	Minimize manual editing activities by allowing digital redlining, streamlining collaboration with providers
Easy eSign	Accelerate the contract approvals with integrated e-signature tools, ensuring timely feedback and processing

Robust Integrations

Adobe eSign | NPES | Only Office |
MS Office | Address Validation Sources
