

The Beginning, Curiosity, and the Outcome

NDDP QUIZ HUNT

Newgen Digital Discovery Paathshala (NDDP) recently introduced an initiative during the final exams for students in grade 6-8. Every day, at two-hour intervals, objective questions based on the school curriculum were shared via WhatsApp groups to assist students in their revision.

Here's what the students had to say about the program and how it helped them prepare for their exams:

"My typing speed and knowledge improved with the Daily Quiz Hunt." – Nisha, Class 6

"The Quiz Hunt exercises the brain, making answering questions enjoyable and providing exposure to different viewpoints from fellow students." – Kamini, Class 6

"I find myself participating more actively in the Daily Quiz Hunt and contributing more answers within the group." – Reena, Class 6

"Participating in daily quizzes has improved my retention of the topics. Initially, I couldn't answer the quiz questions, so I developed a habit of revisiting the relevant chapters in my textbooks, which reinforced my understanding and memory. Now, I can answer the questions more often." – Afreen, Class 7

"Participating in daily quizzes has improved my retention of the topics. Initially, I couldn't answer the quiz questions, so I developed a habit of revisiting the relevant chapters in my textbooks, which reinforced my understanding and memory. Now, I can answer the questions more often." – Afreen, Class 7

"Initially, I would take some time to ponder over quiz questions, but with regular practice, I became quicker at analyzing and solving them. This honed my problem-solving skills and boosted my confidence in tackling challenging questions." – Kavita, Class 7

"The quizzes were great preparation for exams. Some questions that appeared in the quizzes also came up in exams, helping me recall information more easily and contributing to better performance." – Palak, Class 7

"The Quiz Hunt activity is a lot of fun and helps me remember topics I had skipped." – Sakshi, Class 8

"It felt good that our difficult topics were being solved through quizzes." – Anju, Class 8

"I have found it a good way to do revision. I have also made quizzes for myself, which I solve." – Sheetal, Class 8

"I find these quizzes to be a good way to revise. I even make quizzes for myself to solve." – Sheetal, Class 8
