

The NDDP BENEFICIARY “Dreamers. Thinkers. Doers”

Babita- A Physiotherapist in the Making

— ● ● ●

“NDDP career counselling sessions have helped me to realise the various career options and how to plan to achieve my career goal”, states Babita, 1st year, Bachelor in Physiotherapy, DPSRU.

Babita has been a part of NDDP from class 6th and shares her experience over the years as: “I used to enjoy the NDDP lab sessions at school as we got to learn the various topic through AVs. The I-Pad research session eventually made me excited about and my studies helped me in my academic performance. Using the smartphone, I studied all my subjects and scored 77% in 12th exams, Science stream.”
