INDEPENDENT AUDITORS' REPORT

To the Shareholder of Newgen Software Technologies Canada, Ltd.

We have audited the accompanying financial statements of Newgen Software Technologies Canada, Ltd. . which comprise the balance sheet as at March 31, 2017, the statement of income and retained earnings, the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS

For the year ended March 31, 2017

Newgen Software Technologies Canada, Ltd. ("the Company") was incorporated under the laws of the Province of Ontario on April 26, 2012. The Company is a subsidiary of Newgen Software Technologies Limited, which is incorporated in India. The company is located in Ontario and provides software development, engineering and technical support services to its customers across Canada through utilizing the resources of its parent company.

1. Summary of significant accounting policies

The financial statements of the Company have been prepared in accordance with Canadian accounting standards for private enterprises. The significant accounting policies followed by the Company are summarized below:

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. On an ongoing basis, the Company evaluates its estimates including those related to provision for doubtful accounts, useful life of equipment and revenue recognition. Management believes that the estimates and assumptions used in preparing its financial statements are reasonable and prudent; however, actual results could differ from those estimates.

Accounts receivable

Accounts receivable are stated at amounts due, net of provision for amounts estimated to be uncollectible.

Equipment

Equipment is stated at cost less accumulated amortization. Amortization is provided over the estimated useful lives at the following rates and methods:

Computer equipment

straight line over 3 years

Revenue recognition

Revenue is accounted for when there is persuasive evidence that an arrangement exists, the services have been rendered to the customers, the price is fixed or determinable, and collection is reasonably assured.

Income taxes

The Company uses the taxes payable method of accounting for income taxes. Under this method, the Company reports as an expense (income) of the period only the cost (benefit) of current income taxes payable determined in accordance with the rules established by taxation authorities.

NOTES TO FINANCIAL STATEMENTS

For the year ended March 31, 2017

1. Summary of significant accounting policies (continued)

Measurement of financial instruments

The Company initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Company subsequently measures all its financial assets and liabilities at cost or amortized cost. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

The Company has not designated any financial asset or liability to be measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Increase (decrease) in taxes resulting from: Tax on CCA in excess of amortization Tax on non-deductible expenses		(67) 40	70 403	
Income tax expense	\$ 10,	680 \$	8,237	

5. Financial instruments

The Company is exposed to various risks through its financial instruments, without being exposed to concentration of risk. The following analysis provides a measure of the Company's risk exposure as at March 31, 2017.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Company is not exposed to significant liquidity risk.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Company is exposed to credit risk relate to its accounts receivable by providing credit to its customers in the normal course of operations. For these and other debts, the Company determines on a continuing basis, the probable losses and sets up provisions for losses based on the estimated realizable value where necessary.

The Company derived net sales from four (2016 - two) major customers amounting to approximately \$1,493,000 (2016 - \$1,316,800), representing 85% of total revenues (2016 - 66% of total revenues). Accounts receivable from the above significant customers at March 31, 2017 amounted to approximately \$611,400 (2016 - \$224,300).

NOTES TO FINANCIAL STATEMENTS

For the year ended March 31, 2017

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to currency risk as a significant volume of its sales transactions are denominated in U.S. dollars. Unfavourable changes in the foreign exchange rate may impact earnings and accounts receivable.

Foreign exchange gains on monetary assets and liabilities in the amount of \$1,555 (2016 - loss of \$108) are included in the determination of earnings.

At year end, the Company had the following amounts denominated in foreign currencies: Accounts receivable \$ 53,858 U.S.

6. Related party transactions

Newgen Software Technologies Limited and the Company are related parties by virtue of control.

During the year, the Company engaged in transactions in the normal course of operations and measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties, as follows:

Sub-contracts \$ 1,111,668 \$ 1,574,895

As at March 31, 2017, trade account balance owing to the above-noted related party amounted to \$758,045 (2016 -\$491,492).

7. Comparative figures

Certain comparative figures for the year ended March 31, 2016 have been reclassified to be in conformity with the presentation adopted in the current year.
