

Technology – Outsourcing – Consulting – Implementation – Support

21st May 2020

Dear Sir/Madam,

AWC Software Private Limited is a Premium Partner for Newgen Software Technologies in India.

We have a highly skilled team of 50+ consultants for positioning and implementing Newgen products across verticals and integrating the same with multiple ERP's. AWC Software has successfully completed 20+ implementations and have been working closely with all present accounts to grow Newgen product line in these accounts. We have developed solutions like Accounts Payable (Integrated with SAP, Oracle, MS Dynamics, BAAN), Contract/Legal Management Solution, Order to Cash Automation, R2R Automation etc. These are ready solutions on Newgen Platform and can be implemented at any client's place in minimal time.

We are partnered with Newgen for last 5 years and have been receiving satisfying and prompt support from them throughout this partnership. Newgen has appreciated our efforts in past by awarding "Best Implementation Partner" and remains our top OEM from revenue perspective.

Thanks & Regards
